

**COUNTY OF KNOX
Solid Waste Manager
Knox County Landfill**

The Knox County Landfill is responsible for ensuring a reliable, cost effective, landfill infrastructure that meets all State and Federal requirements.

In this challenging leadership position, candidates must have an understanding and ability to assist the Director of Solid Waste in leading the operation of the Knox County Landfill. The ideal candidate will be a proven leader with demonstrated experience in successfully leading and developing work teams; an excellent communicator with strong interpersonal skills; a flexible, practical and creative problem solver; and have the ability to develop and maintain positive work relationships with both co-workers and customers.

All candidates must possess or have the ability to obtain a State of Illinois Class A Solid Waste Site Operator Endorsement, within two years of hire date. Candidates will possess a Bachelor's degree in Public Administration, Business Construction Management, Environmental Science, Civil or Geotechnical Engineering or related field. An equivalent combination of management and hands on experience may be considered. For a full job description, visit the Knox County website: www.co.knox.il.us or email rclear@co.knox.il.us.

Qualified candidates are invited to submit a resume and cover letter, no later than April 15, 2020:
